The StartEast Team

New Creative Unlimited Webpage!

Check out the new [Creative Unlimited page](#) on the StartEast website for the latest updates on the Creative Unlimited project and up coming opportunities for businesses and entrepreneurs.

Creative Unlimited Business & Entrepreneurs Support Programme

The Creative Unlimited project is supporting organisations and individuals to develop and showcase their creative ventures through bespoke business workshops, masterclasses, mentoring and direct support. It is a partnership between New Anglia LEP, University of East Anglia, Norwich University of the Arts, University of Suffolk, Suffolk County Council and Norfolk

County Council. For any businesses or entrepreneurs interested in what this support could mean for you, [register your interest here](#).

Lowestoft Virtual Creative Hub

The Virtual Creative Hub is open to creatives who are based in Lowestoft or deliver work in the town, and will feature a programme of training, tool kits, networking sessions and bespoke 1-2-1 support. A free Cultural Directory is in development for the new website, allowing organisations and creatives to promote their enterprises. [Read more](#)

Platform 2021: Monthly Workshops for Creative Businesses & Freelancers

Platform 2021, delivered by Norwich University of the Arts, is a series of monthly workshop sessions for people interested in starting their own creative business or becoming a freelancer. [Click here to see the full programme of events](#).

The series runs monthly, join a new online workshop on the second Wednesday of every month at 2pm. The next session is: How We Made It Work, Wednesday, 8 September 2021. [Sign-up at Meetup.com](#)

University of Suffolk Entrepreneurs Forge

An immersive development programme, at the Ipswich Waterfront Innovation Centre (IWIC), designed to create and foster innovation that is strong, enduring, and successful. Leading and driving the strengthening of Suffolk's digitally creative SMEs, and the employability of Suffolk's students and graduates, the programme will forge strong bonds between participants to support personal and business recovery and resilience post COVID-19. [Read more](#)

Business & IP Centre Norfolk

The Business & IP Centre Norfolk has developed a free dedicated online programme of business support open to all business owners. They have a year-round programme of free events including: workshops, webinars, networking events and one-to-one advice sessions. To see all their current events and book your place, visit the BIPC [Eventbrite page](#).

Intellectual property guidance, 16 & 24 September

Intellectual property (IP) is any original creation that can be bought or sold. If you are a business

person, an inventor, an artist or an author, IP will affect you. Our certified IP trained staff will provide 1-to-1 guidance on a range of intellectual property topics up to, but not including, legal advice. [Book here](#)

Business Builder: The power of mindset, 15 September, 10:00

We have teamed up with NatWest to deliver a series of free online Business Builder workshops beginning with 'The power of mindset'. You'll come away from this workshop with a deeper understanding of your own mindset, where it may be holding you back, and the tools and techniques you need to take the next step. [Book here](#)

Escalator Writer Development Scheme, National Centre for Writing

Seeking unpublished fiction writers from the East of England. Escalator seeks ambitious new voices in fiction from the East of England (Bedfordshire, Cambridgeshire, Hertfordshire, Essex, Suffolk and Norfolk). If you feel your voice is under-represented and would benefit from a structured period of support, then we want to hear from you! Escalator is a writer development scheme which provides ten writers with a year-long programme of mentoring, training, guidance and networking, to help hone their craft and spotlight their talent to agents and publishers. [Read more](#) **Deadline: 30 August 2021**

Norfolk Screen Sector Survey

Norfolk County Council and partners have commissioned creative industries strategy consultancy Olsberg•SPI ("SPI") to deliver a comprehensive research project on the Norfolk screen sector. This includes a review of film, television, animation, commercials and related sector activity and businesses, as well as considering how Norfolk can be further developed as a location for the national and international screen sector.

As part of this project, SPI is undertaking a Norfolk Screen Sector Survey with the county's industry. The purpose of this survey is to understand the sector better, including the impact of COVID-19, future challenges and need for support. The survey will also gather information for the creation of a new database that organisations supporting the screen sector in Norfolk can access, as well as potentially a public crew directory.

[The survey can be accessed here](#) and should take no longer than 10-15 minutes to complete. Please provide your response by **31 August 2021**.

Head East Campaign update: How to promote your summer and autumn events

[Head East](#), a new regional cultural tourism campaign to showcase the rich diversity and quality of arts, culture and heritage in Norfolk and Suffolk.

The PR team will be promoting events for the summer and autumn to regional/ local outlets across print, online and broadcast, and to select national titles. If you would like to be included, please provide the following information:

- Email Elma Glasgow (hello@elmaglasgowconsulting.com) digital assets, for example high resolution promotional images and/or films for your events.
- Add your [summer/autumn events](#) and [venue information](#) to the Visit East of England website.
- Share your own press releases and opportunities for stories with the PR team.

Norfolk Screen Online Database

[Norfolk Screen](#) is dedicated to promoting Norfolk as a screen-friendly county that showcases locations, talent, services & facilities within the region. They want to encourage those locally based screen related creatives and services to sign up (for free) so that they can signpost incoming productions to the production infrastructure the region has to offer. [Sign up here](#).
